ATTESTATION

Hereby, we confirm that **TUV HELLAS (TUV NORD) S.A. & VIORYL S.A.** conducted a remote discussion. The aim of the discussion was to assess the site actions implemented in response to COVID-19 and to ensure that the certified organization has developed / adjusted its procedures and operations to ensure continued compliance to the FSSC Scheme and the supply of safe products.

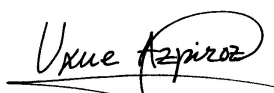

The Certification Body confirms that the implemented plan is appropriate to extend the certification until the on-site inspection is carried out.

Issue of the 6 months extension certificate is expected.
